

Microsoft 365 prices went up on 1 July 2026.

Here's how to pay *LESS*, not more.

Business
Basic:

~~\$6~~  **\$7 (+17%)**

Business
Standard:

~~\$12.50~~  **\$14 (+12%)**

Office
365 E3:

~~\$23~~  **\$26 (+13%)**

Microsoft
365 E3:

~~\$36~~  **\$39 (+8%)**

Held
flat:

Business Premium (\$22) and
Office 365 E1 (\$10) **unchanged.**

Three ways to offset the rise

Cut unused seats:
Stop paying for
logins nobody uses.

Right-size plans: The
Standard-to-Premium
gap has narrowed.

**Switch to annual
billing:** Monthly costs
about 20% more.

You move to the new pricing
at your next renewal, **so act
before then.**

Book a licensing review before your renewal date.
